

Remarks

This is responsive to the Examiner's Answer mailed August 8, 2007, in which the status of claims 11-20 was changed to allowed. The amendments herein are proper under 41.33(b)(1) because they cancel all but the allowed claims, placing the case in condition for allowance.

Conclusion

This is a complete response to the Examiner's Answer mailed August 8, 2007. Applicant respectfully requests that the case be passed to issuance in view of the indication of allowed subject matter of claims 11-20.

The Examiner is invited to contact the undersigned should any questions arise concerning this response or any other matter in this case.

Respectfully submitted,
